

A glowing Earth with a vertical crack revealing a bright core. The Earth is shown from a perspective that highlights the Americas on the left and Europe/Africa on the right. A bright, golden light emanates from a vertical crack that runs through the center of the planet, revealing a glowing, spherical core. The background is a dark, starry space with a warm, golden glow emanating from the top right corner.

THE  
CORE  
OF  
ADVENTISM

SOUTH ENGLAND CONFERENCE (6A, 6C, 6D), NORTH ENGLAND CONFERENCE, IRISH MISSION & BRITISH UNION CONFERENCE

# THE CORE OF ADVENTISM

The Core of Adventism has two components: The Bible Conference and Evangelistic Meetings.

The Bible Conference will offer ministers, elders and members an opportunity to revisit some key theological issues as well as give some insight into new practical areas of ministry, seeking to adjust the old paradigm for ministry.

The Evangelistic Meetings will focus on some of the key beliefs of the Seventh-day Adventist Church challenging our members to live Godly lives and engage in service
