

ACTS is Back!

After six years, the exciting, BUC-wide Youth Day of Fellowship is back! In 2003, ACTS (Active Christians Together in the Spirit) hosted a total of 1800 people, fellowshiping together in Jesus. On the 20th of February 2010, Newbold College will be holding ACTS Reinvented once again. You won't want to miss it!

Come and enjoy a full day of back-to-back preaching, for and by youth and young adults, beginning at 11:00 am. Following morning spiritual feasting on the Word, lunch will be served to all – soup, baguettes and fruit – at no cost. Then, in the afternoon there will be more than fifteen workshops from which to choose – all dedicated to rediscovering the power found by the early disciples in the Upper Room. The day concludes on a high note, a musical concert of the best talent from around the British Union under the direction of Paul Lee, Minister of Music for the South England Conference. A donation of £5 per person is requested for entrance to the concert and food items will be on sale throughout the evening, including jacket potatoes, Caribbean cuisine, hot and cold drinks, desserts and more!

Mark your calendar for the 20th of February 2010 for ACTS Reinvented. It won't be the same without you!
